## **Environmental Policy**

### ***Sustain and Protect the Environment for Future Generations***

Chemteq develops, manufactures and sells diagnostic and emission control devices to health, safety and industrial hygiene markets. These diagnostic and emission control devices include Filter Change Indicators, Surface Wipes, Water Analysis Kits, Filters, Filters with End-of Service Life Indicators and Air Purifiers. Its head office is in Norfolk, Virginia USA. Chemteq also has distributors around the globe.

Chemteq's environmental management system applies to all operations and services of our head offices. Our staff and distributors in the USA and overseas are expected to comply with the spirit of this policy in the context of the organization in which they work.

We at Chemteq aim to achieve continuous environmental improvement by implementing a management system with ambitious objectives and goals.
